NOTES SHEET · INFO VIDEO

When could work become an option for you?

Write down everything that comes to mind while you watch. Then take this sheet with you to your call with the person who sent you the video.

1. What matters most to me in life right now?

Family, health, time, experiences, freedom …

2. Where do I honestly stand with my money?

Income, expenses, savings, debt, what's left at the end of the month

3. What spoke to me in the video, and what made me sceptical?

4. Which questions do I want to clear up in the call?

5. What would my life look like if work became an option for me?

Information and education only, not investment, financial or tax advice. Trading and investing involve risk. Independent partner page, not an official BE document.
